

## ***Friends of Kansas History Membership Program***

Kansas State Historical Society, Inc. (Kansas Historical Foundation) is a nonprofit membership organization dedicated to the preservation, education, and study of our state's unique history, through the work of the Kansas Historical Society, a state agency.

To celebrate the reopening of the Kansas Museum of History in Topeka, KS, we are excited to launch the ***Museum for All*** membership initiative. This initiative invites visitors from Kansas and around the world to explore the newly renovated galleries and state historic sites free of charge.

Sign up to become part of our ***Friends of Kansas History***. Annual memberships not only support the launch of our ***Museum for All*** initiative, but also include year-round benefits for members. A 20% discount is available on all membership levels for **students, teachers, librarians, and State of Kansas Employees** with a valid student or employment ID.
