

Kansas Historic Sites Board of Review
Kansas Museum of History
6425 SW Sixth Ave., Topeka, KS
February 26, 2000

The meeting was called to order at 9:30 a.m. by Chairman Craig Crosswhite. Other members of the board present were Don Blakeslee, Paula Davis, Pamela D. Kingsbury, Robert Marsh, Ramon Powers, and Jim Sherow. Board members Mary Adair, J. Eric Engstrom, Billie Porter, and Nancy Prawl were absent. Staff members of the Cultural Resources Division present were Dick Pankratz, Sandy McDaniel, Cathy Ambler, Will Banks, Christy Davis, Martha Hagedorn-Krass, and Carl Magnuson. Interested members of the public were also in attendance.

Bob Marsh moved to accept the minutes of the November 20, 1999, meeting; Don Blakeslee seconded the motion and it carried.

Dick Pankratz updated the board on activities of the Cultural Resources Division (CRD) since the last board meeting. Recently six properties have been listed on the National Register of Historic Places—the J.R. Rice Farmstead, Cullison vic., Pratt Co.; the O.W. Francis House, Burr Oak vic., Jewell Co.; the Vinland Grange, Vinland, Douglas Co.; the Bungalow Historic District, Garden City, Finney Co.; Castle Rock and the Theodore Shafer House, Kansas City, Wyandotte Co. There are now 694 properties on the National Register.

Progress is being made on the multiple property nominations for the Kansas courthouses, Lustron homes, and Kansas depots. Staff expects to begin scheduling these properties for board consideration starting in August.

Heritage Trust Fund (HTF) applications for FY 2000 are due on March 10. Chairman Crosswhite will appoint a review committee once the applications are received. The review committee's report will be considered at the May board meeting. Four HTF workshops were held in January and February to help prepare potential applicants.

Archeology Week will be observed the week of April 2-8, 2000. The theme for this year's poster is, "A Point Well Taken."

There has been considerable controversy surrounding House Bill 2786, which would effectively eliminate the Heritage Trust Fund as it now exists and set up a loan program in the state treasurer's office. So far a hearing has not been scheduled for this bill. House Bill 2829 regarding a state tax incentive is in a House appropriation committee.

Ramon Powers updated the board on a substitution for House Bill 2605 which would substantially change the governance of the Historical Society. The bill has passed the House of Representatives and is now being considered in the Senate.

Will Banks and Christy Davis updated the board on review and compliance problems concerning the Leavenworth Veterans' Administration buildings. Will gave an overview of the

Section 106 review process of the National Preservation Act. The Act mandates that federal agencies must consider the effects of their actions on historic properties and provide the Advisory Council on Historic Preservation (ACHP) with a reasonable opportunity to comment. Christy Davis summarized the project for the board. The VA wants to demolish 39 buildings on the campus of the Dwight D. Eisenhower Medical Center, originally the Western Branch of the National Home for Disabled Volunteers. Thirty-seven of these buildings are located in a National Register District. The VA has no intention, at this point, of surplusing the buildings. Because the VA is a federal agency, its undertakings must comply with Section 106 review. Since this project could possibly set a national precedent, the ACHP has been asked to become involved. A complicating factor is a short-term need for increased cemetery space. The VA has teamed its demolition proposal with an effort to expand the Leavenworth National Cemetery. There are three historic archaeological sites within the area of the proposed demolition and cemetery expansion that should be evaluated for National Register eligibility. The Native American Graves Protection and Repatriation Act (NAGPRA) also comes into the picture because of the high potential for finding Native American burials and/or associated funerary items. In addition, the VA and the National Cemetery Service (NCS) have failed to allow our office to comment on a current cemetery project that is in an area of high archaeological potential for prehistoric and historic cultural materials. The ACHP has been asked to determine if the VA and the NCS have foreclosed on the ACHP's opportunity to comment.

Consideration of the Historic Preservation Fund (HPF) grant applications was next on the agenda. The HPF review committee members were Mary Adair, Bob Marsh, and Jim Sherow. Staff member Carl Magnuson read the list of applicants. Pamela D. Kingsbury and Don Blakeslee declared conflicts of interest and left the room during the discussion and vote. Committee chairman Jim Sherow presented the committee's recommendations and made a motion to accept the report; Ramon Powers seconded the motion and it carried. The committee report is attached to these minutes.

After a ten-minute break was taken, Martha Hagedorn-Krass presented nominations to the state or national register. The nominations are as follows:

NATIONAL REGISTER

1. Harry C. Litts House, 702 N. Cedar St., Abilene, Dickinson County
(Motion—Sherow) (Second—Marsh)
The vote was unanimous.

2. Clarence F. Mead House, 813 N.W. 3rd St., Abilene, Dickinson County
(Motion—Kingsbury) (Second—Marsh)
The vote was unanimous.

3. Brewer Scout Cabin, City Park, 100 E. 4th St., Solomon, Dickinson County

(Motion–Powers) (Second–Sherow)

Those voting yes were Blakeslee, Davis, Kingsbury, Marsh, Powers, Sherow. Craig Crosswhite voted no.

4. Atchison, Topeka, and Santa Fe Railway Depot, E. Wyatt Earp Blvd., Dodge City, Ford County

(Motion–Davis) (Second–Blakeslee)

The vote was unanimous.

5. John McCarthy House, 19700 Sunflower Rd., Edgerton, Johnson County

After questions were raised by board members concerning the architectural style and historical significance of the property, Jim Sherow moved to table the nomination until these concerns can be addressed in the nomination; Pamela D. Kingsbury seconded the motion and it carried.

Members of the board have selected May 6 as the next meeting date. At that meeting the board will consider the FY 2000 Heritage Trust Fund applications.

There being no other business the meeting was adjourned at 12:10 p.m.

REPORT OF THE GRANTS REVIEW COMMITTEE TO THE KANSAS
HISTORIC SITES BOARD OF REVIEW, FEBRUARY 26, 2000

The Historic Preservation Fund grants review committee, which was composed of Mary Adair, Bob Marsh, and myself, James Sherow met with staff of the Historic Preservation Office to discuss our rankings of the eligible applications for the Historic Preservation Fund grants for fiscal year 2000. They were as follows:

City of Atchison, Atchison District and Ordinance Development, \$15,000

City of Glasco, Preparation of Nomination to the National Register of Historic Places,
\$2,916

City of Lawrence (CLG), Archeological and Historical Survey of Blanton's Crossing,
\$10,558

City of Leavenworth (CLG), Historic District Plan - Old Leavenworth, Kansas, \$15,000

City of Salina (CLG), Salina Architectural Resources Brochure, \$1,800

City of Wichita (CLG), Delano Neighborhood Reconnaissance Survey, \$9,990

City of Wichita (CLG), Kansas Statewide Conference 2001, \$16,141

Johnson County Museum System, Johnson County Historic Preservation Survey, \$22,541

Thomas County Historical Society, South Park Survey, \$8,706

The committee ranked the proposals according to the stated criteria and recommended funding to the highest rated proposals. As is required by the National Park Service, a minimum of ten per cent of the gross federal appropriation is reserved for CLG projects. After careful consideration, we have recommended funding for the following applicants:

City of Atchison, Atchison District and Ordinance Development, \$15,000

City of Lawrence (CLG), Archeological and Historical Survey of Blanton's Crossing,
\$10,558

City of Leavenworth (CLG), Historic District Plan - Old Leavenworth, Kansas, \$15,000

City of Salina (CLG), Salina Architectural Resources Brochure, \$1,800

City of Wichita (CLG), Kansas Statewide Conference 2001, \$16,141

Thomas County Historical Society, South Park Survey, \$8,706

This report is submitted to the Kansas Historic Sites Board of Review by the Grants Review Committee. I move that the report be accepted by the Kansas Historic Sites Board of Review for funding of the Historic Preservation Fund grants program.

May 6, 2000

The meeting was called to order at 9:30 a.m. by Chairman Craig Crosswhite. Other members of the board present were Mary Adair, J. Eric Engstrom, Robert Marsh, Billie Porter, Nancy Prawl, Ramon Powers, and Jim Sherow. Board members Don Blakeslee, Paula Davis, and Pamela D. Kingsbury were absent. Staff members of the Cultural Resources Division present were Dick Pankratz, Sandy McDaniel, Cathy Ambler, Martha Hagedorn-Krass, and Carl Magnuson. Interested members of the public were also in attendance.

Nancy Prawl moved to accept the minutes of the February 26, 2000, meeting; Eric Engstrom seconded the motion and it carried.

Dick Pankratz updated the board on activities of the Cultural Resources Division (CRD). There have been seven additions to the National Register since the last board meeting. Those properties are the Hope House, Garden City; the Ellis Congregational Church, Ellis; the Little Finnup House, Garden City; the Hund School, Leavenworth vicinity; the Masonic Temple, Salina; the Cummins Block, Lincoln; and the Washington County Courthouse, Washington. Cathy Ambler reported on three thematic nomination contracts we have entered into for fifteen Lustron houses, twelve county courthouses, and 5 railroad depots. We are also seeking proposals for a contract survey and five completed nominations for the Kansas Emergency Relief Committee and the Federal New Deal work projects in the Kansas counties of Dickinson and Crawford. Ramon Powers reported on substitute House Bill 2605 which would have changed the governance of the Society. It failed in a House vote of 87-37. It was then resurrected on the first day of the veto session and again defeated in a vote of 67-57. A bill under consideration in Congress is HB #701 which would significantly increase the portion of federal money allocated to Kansas. Because of historical circumstances the portion Kansas receives has been low. House Bill #701 would provide about \$100 million to the states, of which the Kansas share would be \$1,086,245.

Consideration of FY 2000 Heritage Trust Fund (HTF) applications was next on the agenda. Members of the HTF grant review committee were Mary Adair-chairman, Bob Marsh, and Pamela D. Kingsbury. Chairman Crosswhite asked the board if there were any conflicts of interest concerning any of the grant applications. Jim Sherow and chairman Crosswhite declared conflicts and excused themselves from the room before the committee chairman read the report. At this point Mary, as Vice-Chairman of the board, became the presiding officer. As chairman of the HTF grant review committee, she then presented the committee's report, and moved its acceptance; Billie Porter seconded the motion. Prior to discussion of the motion, Carl Magnuson was asked to show slides of the recommended projects. The board then discussed the recommendations and unanimously voted to accept them. That report is attached to these minutes.

After a brief break Chairman Crosswhite again presided. The board voted to remove the

REPORT OF THE 2000 HERITAGE TRUST FUND GRANT REVIEW COMMITTEE

On April 28, 2000 the Heritage Trust Fund Grant Review Committee, which is composed of Pamela D. Kingsbury, Robert Marsh, and myself, Mary Adair, met to discuss its final rankings of the 2000 Heritage Trust Fund grant applications and to prepare a list of recommendations to the board. The committee ranked 31 applications requesting a total of \$1,507,497 in grant funds. Employing the criteria stated in the legislation that created the grant program, the committee ranked the applications and recommended funding for as many as the available resources would allow. The criteria include the level of historic significance, condition of the property, urgency of the work proposed, level of endangerment, administrative ability of the applicant, potential benefit to the community and state, community support for the project, and financial need. Of the projects submitted, the committee recommends grant awards totaling \$726,498. Following is the list of properties recommended for funding in the 2000 round of Heritage Trust Fund grants. They are listed in alphabetical order according to the property's historic name.

| | |
|--|-----------|
| Anderson County Courthouse, Garnett | \$ 75,000 |
| D.G. Smith Building, Abilene | \$ 21,024 |
| Ellis Congregational Church Building, Ellis | \$ 43,760 |
| Harper County Courthouse, Anthony | \$ 75,000 |
| Hutchinson Public Library, Hutchinson | \$ 75,000 |
| Leavenworth Public Library, Leavenworth | \$ 47,841 |
| Lincoln County Courthouse, Lincoln | \$ 75,000 |
| Old Logan County Courthouse, Russell Springs | \$ 51,916 |
| Warren Wesley Finney House, Emporia | \$ 51,201 |
| Washington County Courthouse, Washington | \$ 60,756 |
| Weaver Hotel, Waterville | \$ 75,000 |
| Windsor Hotel, Garden City | \$ 75,000 |

The committee also has selected two alternate projects that will be funded if any of the grant recipients can not accept the award. These are as follows;

| | |
|---|-----------|
| Clay Center Carnegie Library, Clay Center | \$ 19,144 |
| Cummins Block, Lincoln | \$ 66,000 |

The higher ranked projects include a number of significant properties drawn from communities across the state. The successful applicants invested considerable time and planning in the development of their proposals. We hope these projects meet with your approval and that you will choose to endorse our recommendations to the Executive Director of the Kansas State Historical Society. I therefore move that this report be accepted by the Kansas Historic Sites Board of Review.

PROJECTS RECOMMENDED FOR FUNDING IN THE 2000 ROUND

Anderson County Courthouse - Garnett - Anderson County

Grant Recommendation \$75,000

Total Project Cost \$131,725

The grant project would involve extensive wood window repair and restoration throughout the building.

D. G. Smith Building - Abilene - Dickinson County

Grant Recommendation \$21,024

Total Project Cost \$26,280

The application includes consultant services and construction costs for repointing and repair of the east masonry wall, repair of the east windows, repair of cement parging, and restoration of an historic Coca Cola sign.

Ellis Congregational Church - Ellis - Ellis County

Grant Recommendation \$43,760

Total Project Cost \$54,700

The application includes installation of a new cedar shingle roof, window repair and painting, replacement of rotted pine flooring and floor refinishing, replacement of rusted pressed metal ceiling panels, plaster repair, and masonry repointing. This property is now owned by the Ellis Arts and Historical Society.

Harper County Courthouse - Anthony - Harper County

Grant Recommendation \$75,000

Total Project Cost \$160,338

Funds are requested to address foundation and structural problems with the courthouse. The project would include consultant fees, removal of concrete surrounding the building, excavation of the foundation, masonry cleaning and repair, installation of a waterproof membrane and drain system, and grading around the building. Funds also would be used to clean and repoint the limestone and brick masonry, repair the limestone steps, and paint all exterior metal surfaces.

Hutchinson Public Library - Hutchinson - Reno County

Grant Recommendation \$75,000

Total Project Cost \$123,250

Funding is requested for consultant fees, cleaning, and repointing of exterior masonry, installation of four limestone column bases, installation of three window heads and steel plate lintels, priming and painting of the cornice, lintels and soffit, and painting and caulking of exterior doors and windows. This building now functions as the Hutchinson Labor Temple.

Leavenworth Public Library - Leavenworth - Leavenworth County

Grant Recommendation \$47,841

Total Project Cost \$59,801

The application includes employment of an engineer to investigate water absorption into the building, to investigate the structural integrity of the foundation, and to prepare construction documents for the project. The construction phase of the project would include masonry repair and repointing. This is now used by the Leavenworth Carnegie Arts Center.

Lincoln County Courthouse - Lincoln - Lincoln County

Grant Recommendation \$75,000

Total Project Cost \$95,000

The grant funds would be used to remedy problems with the foundation of the courthouse. The county would employ an engineer or architect to conduct tests and prepare plans and specifications. The project work would include excavation around the courthouse, installation of a drain tiles and a cast iron drainage system, installation of a sump pump, interior plaster repair, application of moisture barriers, and replacement of gutter system. The works of the tower clock would be repaired as well.

The meeting was called to order at 9:30 a.m. by Chairman Craig Crosswhite. Other board members present were Mary Adair, Don Blakeslee, Paula Davis, J. Eric Engstrom, Pamela D. Kingsbury, Bob Marsh, Billie Porter, and Jim Sherow. Board members Nancy Prawl and Ramon Powers were absent. Staff members of the Cultural Resources Division present were Dick Pankratz, Sandy McDaniel, Cathy Ambler, Will Banks, Christy Davis, Martha Hagedorn-Krass, and Carl Magnuson. Interested members of the public were also in attendance.

Eric Engstrom moved to accept the minutes of the May 6, 2000, meeting; Jim Sherow seconded the motion and it carried.

Election of officers was next on the agenda. Pamela D. Kingsbury made a motion to retain the present chairman (Craig Crosswhite) and vice-chairman (Mary Adair); Bob Marsh seconded the motion and it carried.

Dick Pankratz updated the board on activities of the preservation office since the May board meeting. Seven properties have been added to the National Register—the Oscar Carlson House, Burdick vicinity; the Litts-Dieter House and the Mead-Rogers House, Abilene; the Santa Fe Depot, Dodge City; the John McCarthy House, Edgerton vicinity; the Brewer Scout Cabin, Solomon; St. Martha's AME Church, Highland. Two demolished properties have been officially removed from the National Register—the Belvidere Medicine River Bridge in Kiowa County and the Huron Building in Wyandotte County.

Carl Magnuson reported that of the twelve Heritage Trust Fund projects awarded in May, four have already had their plans approved. Seven of the projects that will utilize consultants have already chosen them and two are still in the consultant selection phase. The Conservation and Reinvestment Act (CARA) is now working its way through Congress. This legislation would direct funds from the leasing of federal lands to conservation and historic preservation efforts on a long-term basis. Effects of this legislation on office programs would be potentially significant. We could possibly receive close to one million dollars instead of the \$350,000 we now receive. The legislation could bring increased grant funds to local units, new types of eligible activities, and a new incentive for local government certification.

Cathy Ambler reported on the Leavenworth Veterans Administration (VA) situation. The site is on the National Trust for Historic Preservation's Most Endangered List. The VA submitted a business plan and our office has made comments but we still have concerns about the properties being offered to developers on long term leases. One Native American group has expressed some concern about the burials found there some years ago. In order to sustain better communication with the VA, we recently requested that they write us a monthly report detailing any activities they have undertaken on the project.

The Cultural Resources Division has identified at least 25 special groups we intend to visit with in regard to the state preservation law. For several years the preservation office has been concerned that the state preservation law was not as valuable a preservation tool as once believed when it was written. These groups will give opinions as to whether the law is fostering preservation activities across Kansas. The preservation office feels that preservation activities should continue to be rewarded through grants and incentives. The review board will probably be involved in a state law meeting sometime in the spring.

Martha Hagedorn-Krass updated the board on the preservation planning process. The public planning meetings held across the state in May and June have been completed. The plan will be reworked and then sent to the National Park Service in Washington some time in November. Martha gave a brief presentation on the upcoming nominations for the next board meeting.

Will Banks discussed the status of the transfer of the Sunflower Army Ammunition Plant (SFAAP) by the General Services Administration (GSA) to the Oz Entertainment Corporation (Oz). Over the past several months, our office, GSA, and Oz have been involved in drawing up a Memorandum of Agreement (MOA) which addresses the mitigation of any possible adverse effects associated with the transfer of the SFAAP. Recent opposition to the Oz project has prompted the Advisory Council on Historic Preservation (ACHP) and another consulting party to join the consultation process. As it stands now, GSA is completing a survey of the area of potential effect and will provide us with their findings as to whether any historic properties in the area of potential effect will be affected by the transfer and subsequent development. Once the consultation process is finished and the MOA is finalized, Oz will have 180 days to survey the area of their theme park development and perform eligibility testing at one archeological site. They will have 360 days to survey the rest of the property and to test five other known sites. Any adverse effects to historic properties associated with the transfer will have to be avoided or mitigated before title to the land will be passed to Oz. GSA is hoping that the MOA will be signed within two months time.

Christy Davis updated the board in regard to the casino the Wyandot tribe wants to establish in the Scottish Rite Temple in Kansas City, Kansas. The attorneys for the Wyandot tribe informed the Bureau of Indian Affairs (BIA) that they did not see the casino project as a federal undertaking partly because, in their opinion, no federal funds would be used for the project. Ben Barnett, staff member for the BIA, argued that any project on trust lands is an undertaking, as trust lands are federal lands administered by the United States for the tribe. The BIA advised the tribe to comply with Section 106. Our position is that in order to properly comply with Section 106 under the new regulations, the tribe is required to contact interested parties, potential consulting parties, and to consult with them on the project, not merely present the project to our office.

House Bill 2829 concerning a state tax credit incentive was introduced in the 2000 legislature this past session. If passed, the bill would benefit those persons owning income-producing properties and historic homeowners. The bill did not make it out of the House and will probably be reintroduced in the next legislative session.

After a ten-minute recess was taken, Cathy Ambler introduced Elizabeth Rosin of Historic Preservation Services, the preparer and presenter of the thematic nomination for the Lustron Houses in Kansas, and her assistant at the time the nomination was prepared, Dana Cloud. Ms. Cloud did most of the field work and research on the individual properties.

The Lustron Homes thematic nomination and all 15 individual Lustron residences were unanimously approved by the board for the National Register. The list is as follows:

The meeting was called to order at 9:00 a.m. by Chairman Craig Crosswhite. Other board members present were Mary Adair, Don Blakeslee, J. Eric Engstrom, Pamela D. Kingsbury, Robert L. Marsh, Billie Porter, Ramon Powers, Nancy Prawl, and James E. Sherow. Paula Davis arrived at 9:30. Staff members of the Cultural Resources Division present were Dick Pankratz, Cathy Ambler, Teresa Kiss, Will Banks, Christy Davis, Martha Hagedorn-Krass, Sandra Hooper, and Carl Magnuson. Interested members of the public were also in attendance.

Pamela D. Kingsbury moved to approve the minutes of the August 26, 2000 meeting subject to an amendment to reflect the discussion concerning multiple names for historic properties. James E. Sherow seconded the motion and it carried. Ms. Kingsbury also suggested that a policy be adopted to only use the first owner's name for historic properties. She stated she would provide a copy of the letter from David G. De Long, Professor of Architecture of the University of Pennsylvania, to be sent to each member of the board. Ramon Powers stated he, as SHPO, would give recommendations to the board concerning naming historic properties at the February 17, 2001 meeting.

Dick Pankratz addressed the board concerning the length of the agenda, stating that many nominations had come to fruition at this time, and the length is not without precedence. Many property owners are concerned with meeting the March 1, 2000, Heritage Trust Fund Grant application deadline.

Ramon Powers reported that Congress appropriated \$700,000 for the William Allen White House and that there is discussion concerning Kansas State Historical Society maintaining the property. He also reported that there has been a dramatic increase in Federal funding for Kansas from the Historic Preservation Fund of the National Park Service.

Prior to the board considering the Courthouses of Kansas thematic nominations, chairman Crosswhite noted that the Montgomery County Courthouse had been removed from the agenda at the county commissioners request. He then introduced Sally Schwenk from the consulting firm Historic Preservation Services as the preparer and presenter of the thematic nomination.

The Courthouses of Kansas thematic nomination and the 12 individual courthouse nominations were approved by the board for the National Register. The list is as follows:

(Motion-Kingsbury) (Second-Engstrom)

Those voting yes: Adair, Blakeslee, Crosswhite, Davis, Engstrom, Kingsbury, Marsh, Porter, Powers, Prawl, Sherow.

Pamela D. Kingsbury expressed disappointment in the quality of photocopied photographs. Don Blakeslee concurred. Dr. Powers expressed regrets and stated future copies will be better.

Dick Pankratz explained that the remainder of the nominations that would not be presented by consultants were divided among the Historic Preservation Office staff. He noted the staff did not prepare the nominations but were simply presenting them.

A thirty-minute lunch break was taken at 12:00. At 12:30 the board reconvened and continued with presentations.

Board members Eric Engstrom, Mary Adair, Pamela D. Kingsbury, and Paula Davis left the meeting at 3:20.

The nomination for the Topeka Cemetery "Mauselea Row" Section 62, Plots 1-10, 1601
SE 10th St., Topeka, Shawnee County, was deferred until the next meeting. A minimum of one
photograph per tomb and a justification as to how this property merits National Register status
were the reasons given.

The time and place of the next meeting was set for February 17, 2001, at the Kansas History Museum. The agenda will probably include the context statement for railroad depots and the five depots that are part of that contract, as well as half a dozen other individual nominations.

There being no further business, the meeting adjourned at 4:10 p.m.

Dear Pamela:

Congratulations on your new position as architectural historian on the Kansas State Preservation Board. It is reassuring to learn that a person so well-trained in architectural history is occupying that position, and a friend in addition.

In answer to the question you raised, it is indeed the convention of architectural historians to list the original client as the name of the house. I say this based on my years of graduate study at Columbia University (where I received my Ph.D. in architectural history), as an editor of Historic American Buildings and a member of the editorial board of the Architectural History Foundation, as a consultant to the Getty on the description of architectural drawings, and as an architect. Were houses to carry the names of all previous owners, we would all be lost. Dwellings dating from the Renaissance would often need a page of names to get them all listed. Later owners of houses may feel unfairly represented, but they are mentioned in accompanying text when their period of occupation has contributed to the history of the building, and listed in chains of title, so their names are part of the historic record as well. Further, it is the original client who made the building possible--commissioned it, financed it, took the original risk of building some architect's idea, and so on. So in the end it seems very fair indeed. It also makes the listing of historic names comprehensible.

Being a native Kansan, I always want our state to adhere to the highest possible standards and never appear to be backward, as some East Coast snobs would have us be. I know your share this view and will do everything possible to correct any wrongly-applied conception of historic names that might bring ridicule.

With all best regards,

David G. De Long
