

Volume 10, Number 4: February/March 2007

Worksheet 2: Celebrating Hanukah

These instructions on how to make a dreidel are not in their correct order. Cut the title and the six sentence strips apart. On a separate piece of paper, glue the title to the top of the page. Then arrange the sentence strips in their proper order. Number each sentence strip from 1 to 6.

How to Make a Dreidel

Cut out the dreidel.

Push the straw or stick through the top until it touches the bottom point.

Gather supplies.

Color the dreidel where the four symbols are located.

Copy dreidel pattern onto paper or thin cardboard.

Glue the flaps on the dreidel to make it into the shape of a top.

[For this activity, we need one page that is a dreidel template with the symbols on the same page so they can be copied onto the template.]
